“ Llorra and I covered the Kankakee High School after school Activities route at 5:30pm. Llorra covered the south side and I covered the north side. She had more kids on her bus than I did but she always got done before me. To this day I still don't know how she pulled that off without using a drone!! Llorra always enjoyed conversations, I'll always remember her for that. May God rest her soul and God bless all of those she left behind. She can now trade her CDL for an HDL "Heavenly Driver's License and join Donny Gray another bus driver who passed away 2 years ago from Covid 19 complications. Llorra always loved his wonderful smile, now she is too! Keith Foreman

“ Llorra, sisters, and family were my next door neighbors for 20 years on Longwood. They played with my daughter Karen as our front yard was a meeting place for many and Llorra was their guardian. She was there when I lost my Karen with love and hugs. She will be greatly missed in our hearts and lives. Our condolences to her family.
