“ *I remember Lorraine and Cheryl hanging out in the kitchen with Ma & Pa Bikar and Kim. Everyone was always welcoming. My mother left in 2011 and father in 2016, you always miss them. But we all embrace the fact they lived long lives and raised us all up right. We must remember the good times, the good memories, and pass our history to the next generations! Big hug to you Cheryl.*

“ *“There is an emptiness inside of me -- a void that will never be filled. No one in your life will ever love you as your mother does. There is no love as pure, unconditional and strong as a mother's love. And I will never be loved that way again.”*

“ *I will miss you forever Mom. I will always cherish the memories we made and the good times we shared, and even the times you got mad at me. 😊 I pray you are at peace and that you know how much we all love you and miss you, and will forever. 💜*
