“ So said to hear that aunt Lucia, my mothers friend, passed away. My mother Roelie Oudshoorn-Oldenhof was very close to her when they lived in Emmeloord and went to the same school. When Lucia and her family moved to the USA they always stayed in contact by sending cards and very long letters. When Lucia and Jack went to Holland they always stayed for a view days at our home. That was so lovely to meet them. Unfortunately my mother died 24 oct 2017. Hope they'll be together as friends in heaven now. I give Jack and all the family my condolences and all the best wishes. So sad to lose your wife and (grand)mother.

Hugs and kisses

“ What a wonderful person Mrs Houk was. She was sweet and kind, and, loved her husband, and her family. She fought her illness for as long as she could, but heaven needed another angel, so she went ahead to prepare the way. I didnt know her long, but when my niece Dana became part of her family I had the privilege of making her acquaintance, and how lucky i was to know her for a short time.

My thoughts and prayers are with all of the Houk family at this difficult time.
