“ Well Cookie was and is still a 2nd MOM to use Kemp girls. It's so hard to say goodbye to someone you have known your whole life. She was still there and giving advice to me after Mom passed away in 1999. She use to be my manager at Burger King on Court. I remember the time I came in tipsy...lol and she called mom and dad. They were mad but all she did was suspend me for a week. For summer vacation her and Dave would let us build a fire and burn all of our school papers and books. Mom, Dad, Dave, Cookie, Rudy, Pat, Cliff and Sandy would take vacations every year. She would be mad at us but not really show it. There are alot of stories I could say. Growing up next to the Johnson's was great. As we got older they were and are always there for us. She even got to know my grandson Lamari and granddaughter Diamond. She has always been Aunt Cookie to my kids. GONNA MISS YOU COOKIE!!!!

“ My goodness, I could write a book about Cookie and Dave and the kids as they were growing up. Roxanne, Diane, Shawn, Amy, and Susie. The five of them playing, playing, playing together. Birthday parties together and just running from house to house. Eric and Cathy were in the middle of all these good times too,. All their names still come up in our home as well as Cookie and Dave. Those six years were the best years of my life and the two of you were a big part of it. Being stay at home moms and being neighbors was great. My heart goes out to you and we want all of you, Dave, Marsha, Shawn, and Todd to know that we extend our sympathy. Cookie was too young to be gone. You are all in our prayers.

“ I am so sorry my friend is gone. I will never forget her. She was a kind, gentle, loving and funny woman. We all loved her. She was a part of our "family" and a part of Indian Oaks. She will live on in our memories and we will honor her with our "Cookie" stories.

Our love and condolences to Dave, Todd, Shawn and Marsha and their families. You had a one-of-a-kind wife, mother, grandma and great grandma. She loved each of you unconditionally. Take time to look for her in your days going forward because I know she will always walk among us.

Love, Karen Denoyer

“ To my friends Marsha, Todd and Shawn, I was so sad to hear of the passing of your mother. I can still hear her infectious laugh and see her bright smile. She knew no strangers and always made everyone feel welcome in your home. I can see her now sitting next to my mom wearing the orange "Celebration Singers" t-shirt and cheering us on in all of our performances. She was a great lady and will be missed. Although she is gone, she will always be with you in your heart. I will keep you all in my prayers during this difficult time and I wish you comfort.
