“ *Mary will forever be in my heart.*

She will be missed.

I have lots of good memories of Mary growing up in a house full of kids!

I enjoyed staying at her house for the weekends and never wanted to leave.

*I remember one of the times when I was around 13 or 14, she took me to the Roosevelt theater in Cicero to see *The Exorcist!* We had a blast!*

I also remember driving with her and the kids in her big station wagon!

She was a beautiful woman.

Great memories that I will always cherish.

R.I.P Mary. I love you very much....

“ Oh Auntie. Where do I begin? Thank you for your love, for making me laugh, sometimes so hard I cried and even peed a little! God, I miss you so much it hurts 😭😭. Thank you for all the wonderful memories. Thank you for being a second mother to me my **WHOLE** life. You brought so much joy to my life. Your family was so important to you and we all felt it. Thank you for that. **ONE** memory... ok. There are so many but I love this one. You and I were gonna go visit Lisa one day and stopped at Casey's gas station. It was sooo windy outside. I got up to the door and was holding it open for you but it was taking you so long to grab the door. With??!! I look back and the wind was taking your skinny butt down the side of the building!! OMG. My Auntie is blowing away!!! So I ran and grabbed you and we walked back to the door both laughing our asses off!!! God I ache for you. I love you so much. Thank you for the life, love and laughter ❤️❤️❤️
