“ This is a special shout out to my wonderful Aunt Mary. She has been a part of my life since I was a very little girl. I remember all of the love that she showed me and she also had my back when no-one else did. She was so proud of me that I graduated last year with receiving my bachelors degree. She was one of my favorite Aunts. I remember when she lived behind the old K-Mart in Kankakee and her floors were so shiny and clean you could eat off of them. She always did her floors by hand and on her knees. She loved her kids and grand kids with all of her heart. She would do anything she could for them. I couldn't ask for a better person to call my aunt. Now I have another guardian angel watching over me. I love you so much Aunt Mary and I miss you already. Rock out with my brother Troy Lee and my mom Barb and my Dad Albert. Love your niece Patricia Cobb-Williams. Also she told me that I would become a success when everyone else said I would be a failure. RIP Aunt Mary Skeate
