“ I worked with Mary for a few years at Quality Quick Print in Crest Hill. I always enjoyed our talks. She was so quiet when walking she would scare me. She is missed.

*To Mary's family, Please accept my deepest sympathy at your loss. How she loved you. I am sadder than sad to find that Mary is gone from this earth. Besides the memories we shared of Konica Quality Photo, we kept the USPS busy with our Snoopy cards. She was straightforward and blunt, but always so kind and considerate. So much spirit in that tiny, petite body.*

*I know Hank was waiting to welcome her, he and her many, many kitties. I will forever miss my friend Mary, who always made me laugh when she would say she was "ornery as hell".*
