“ *Just want everyone to know that Mary WILL be missed very much by me!! She was my best friend for 35 years since we were 18. We had our share of fun and our share of sorrow, of good times, and bad times. We had our times of arguments like all good friends go thru. But we always came back together. Even thru the years later on thru friendships when you move on and find your significant other and have kids we still managed to keep in touch. But now that your gone it's even harder to face just wishing I could have one more time to tell you that I love you my BBF!!!*
