“ I went to school with Matt since we were in grade school, it saddens me to hear of his passing. We spent three long years in confirmation classes together. He was my carpool buddy. He was the funniest person I knew as a kid. Always voted the class clown, could always make you laugh. Behind all the laughs, he was a sweetheart and kind. My deepest condolences to his family. Thank you Matt for all the smiles you gave this world. -Jennifer Yaremych (Obrochta)
