“ *I only knew you for two years but that is more than enough to know what a great, sweet, kind and good hearted person you are. I remember every time i would come over and bring my daughter to hang out you would spoil her rotten. I hope you are in a better place and at peace. I cant believe this happen to such a wonderful person.*

“ *Melissa... You were such a beautiful soul, inside and out. We had so much fun in junior high and high school together... singing in show choir, hanging out in homeroom... I still have the video of all of us singing and dancing at my birthday party. We had so much fun that night. Rest in peace, sweetheart. I know your beautiful voice is singing with the angels.*

“ I taught Melissa when she was just a 7th grader. I remember her as being a kind and caring girl. She was the kind of kid that teachers love to have in their class.
