“ *Saddened to hear of the passing of Mike Ditchie four months after the fact. We were neighbors friends when we lived in Cicero. Kept in contact with him as he joined the Navy serving on the USS America in the Viet Nam days, always drempt of looking him up after retirement and take a road trip somewhere on our Harleys. God has called a saint back home. My condolences to his family. Hey Mike save me a place up there. Until we meet again*

“ Mike and I got to know one another through the Pepsi Showdown, which he worked each Sept. at Lyons. My stomach dropped when I heard the news. One thing I'll never forget about Mike is that he was always willing to help me whenever I needed something. He was there early and he was there late. Mike was tough on me at first, but I grew to really enjoy seeing him and our conversations.
