“ *I just saw the post that you passed away. I have been wanting to see you all for years because I always felt like you all were my family. Christian, Jason and April were my extended family and I enjoyed being around you and Chris talking about life and sports.*

This truly broke my heart this morning reading that you had passed away. You and my grandfather were so close and that made our bond so much closer because you and Granddaddy were mean who only wanted the best out of us and I love you for all of your guidance and insight about basketball especially talking about real basketball and Pistol Pete Maravich.

I just wanted post a message to tell you thank you for being a father figure to me, a mentor, a friend and like I have always said my family.

Mike keep looking out for Chris, Christian, April, Jason, Toby, Christine, Tyrone, and rest of us that you were blessed with having you in their lives.

I love you Mike with the love of The Lord.

*Rest In Peace from your Bonus Son!

“ *RIP cousin, where do you begin to tell a story of someone so special and God fearing. He loved life, he was my brother Lelands best man, and best friend. Fly hi and watch over us from the heavens above. Love from The Greenley and Bzoski families. Never to be forgotten.*
