“ *I never thought I would be writing this, I have known you since you were a little boy running around on Mozart St. in Chicago. I have so many happy memories of sleep overs with Gaynell and Teresa. All of us sitting outside with your mom til all hours of the night during the summer and she would sometimes want a Snickers bar. Always at Christmas time there would be a present for me under her tree as if I was one of her own. I will cherish all these memories and tuck them away in my heart until my day comes and maybe we meet again. I will miss you Mikey, you hold a special place in my heart! Fly high ❤️*
