“ *Mitch was the kindest neighbor a person could have asked for! He helped us numerous times and no matter how much I would offer something in return he wouldn't accept. He was kind, funny, and I'll miss our " howdy ho neighbor!"*
My heart is with Emily and his family ❤️

“ Mitchell and I were really good friends through high school and beyond. We always kept in touch. The last time I saw him was right before I moved across the country and he came over and taught me how to be Catan. I remember when he first met his wife and how he talked about how much he loved her. He was like a little love-struck puppy and it made me so happy to see how happy he was. I'm sad I didn't get to meet her before I moved. I have so many fond memories of watching Mitch play Super Smash Bros and walking through Perry Farm and listening to music. You will be missed dearly, Mitch. I'll see you beyond the veil.

“ I will always remember how you effortlessly made people feel better, an friendly ear to anyone, and the best sarcasm around. I will remember the bonfires, playing Magic, hide and seek, and just being in your presence. Everyone loved you and I can't even put into words how much you will be missed. My condolences to the wife and family.

“ I’m so sorry to hear this! I worked with his mom, Sue, many years ago at the Kankakee County Health Department (St. Mary’s Hospital too). Mitchell and his brothers would bring so many smiles when they came to visit mom at work. I am so sorry Sue! Thoughts to your entire family. Lisa Jordan
