“ To my Friend of 47yrs. Monica. you are the greatest friend I've ever had. I knew you since the 60's when working with you mom Nellie. then in the 70's we started to hang out. From then I watch you live a very full busy life plus raising your children which I watch grow up from Birth. Oh we had some very good and funny times together. the one thing that reminds me of you even to today is your comment when you was discussed about something. YOU know what it was and do alot of every one else. " #&%%*r PLEASE " LOL. My deepest Condolences to you and your family, may God place his hand over you all to help you through this sad time.

“ My sympathies to all the family --we became family when my brother married Mona and Monica's mother. Although all were well over the age of 21 (LOL) they still called me Aunt Julie. We had many good laughs when she was working at Family House.
