“ Murt was a ray of sunshine ☀️. I have so many beautiful memories of her. So many memories of her and mom at IDES. She was so kind to me and she always had a smile on her face when I saw her. Remember her coming over to my parent’s house for card club. Couldn’t wait for her to arrive. I loved seeing some of the things she sewed. She would show me some of the pattens and I would tell her “I can’t wait to see it completed.” When I was about 12. She helped my mom with the design my canapé for my bed. It was beautiful. I enjoyed the time I got to stay overnight at their house with her daughter Beth. I remember my mom always getting Murt something with a cardinal on it for her birthday and Christmas. Mom always said she loved cardinals. So many wonderful memories and she will be deeply missed. I know all of her family is so devastated by this loss. She will be there next to them each and every second of the day. She loved her family dearly. A loss off a parent/spouse is one of the hardest things to go through. Sending lots of hugs ☺️ and many prayers 🙏🙏🙏 to all of you. Murt thank you for all the memories and for being so kind, loving , caring, thoughtful and just being you. I will miss you. Give mom a big hug ☺️ when you see her in heaven ☺️☺️.

My condolences,
Diane Morrison

Dearest Murt, Where have the years gone? I so enjoyed working with you at IDES, you were always an honest friend then and now. I will miss our lengthy phone calls since retirement, talking about good times, our kids and grandkids, now our great grandkids. God knew your body was tired and wanted you to go to your heavenly home. My prayers are with your husband Duane and children Beth and Andy and their families. 🙏🙏
