“ Sonny, your bedroom at Grandma and Granpa's as a kid was full wonder , so much cool vintage stuff, then later in life a place at any family party where I could sneak a smoke without grandpa seeing, but the times I will cherish the most are when I worked in Cal City eating lunch with you and Grandpa. I truly believe hanging out talking with guys daily set this wild teenager straight! You will be truly missed. Love Lil' Eddie

“ So many wonderful memories I have of you. Grandma and grandpa's house was the place to find you and if we couldn't find you outside drinking your tea then you were riding your bike to the store or walking to the coin shop. You couldn't wait to show your latest find or bargain, just to see the reaction on all of our faces. Every holiday you were there front and center to sing the happy birthday song or hand over a gift you personally selected. We will never forget your laughter that radiated the house, even when the joke wasn't all that funny. You had the best of hearts and will truly and undoubtedly be missed in every way. Even though we were miles apart, I know you will be forever close in my thoughts and prayers. We love you Uncle Sonny!!!

“*Sonny was such a kind person. He never failed to make us laugh! If he ever went missing you knew to check the local coin or baseball card stores. There is not one memory growing up I don't have of him not laughing or joking around. You will truly be missed! I'm so glad you had a chance to meet Bodhi, Lucas, and Alyssa. Love you and we miss you already! Mitchy.*

“*Uncle Sonny was a legend. The stories that I have of him will live on and will be a great reminder of the love that I have of him. Sonny has been a big part of my life. He was there when I was baby and through my adulthood. Sonny never missed a birthday, It never failed, even months before he would share what he was getting me for my birthday weeks prior because how excited he was to provide me happiness. Uncle Sonny always answered the phone with a cheerful "Hello" in the voice I will never forget, he was a constant reminder to those who loved him to find joy and laughter in every day. Uncle Sonny was fearless and bestowed upon me the same outlook on life, a gift I will carry with me always. Rest in Peace my dear Uncle Sonny, with lots of love Chad, Amber and Parker.*

“ Uncle Sonny I will never forget you or the jokes we had shared together! There were so many! My favorite was when we would go grocery shopping and you would whisper over to my mom saying get her the EXTRA value meal lol. We still all joke about that. Even when you would Humm my graduation song to me and then laugh right afterwards will truly be missed especially since I'm graduating soon. I'm glad I got to see you and get a hug! Please give Grandma and Grandpa a hug and kiss for me! You will forever be missed and I love you Uncle Sonny! RIP beautiful soul❤️
