“ *I feel like Pam helped raise our boys. She was always there for them and us. We couldn't have been luckier moving in next door and finding a loving person rite next to us that treated our kids like her own. Our whole family thinks the world of her and sends our prayers to her family and friends.*

“ *Hanna was supposed to stay the night one night and grandma dropped her off, said hello, and then asked if we wanted to go to the zoo. Some of my favorite memories are from that day, and I will cherish every moment I spent with her. I wish I could be there to say goodbye and support Hanna and her family, I love you all dearly and will make it up there as soon as I can* ❤️

“ *Pam was one of my favorite people. She was a second Mom to our Colton. Not once in 12 years did Colton ever say “I don't want to go to Pam's.” He truly loves her. What a blessing she while we went to work.*

We have fun memories of playing games on July 4th parties. Like water color water balloon fights....I think Kathy Davis hair was strawberry red for a month after that. We loved our annual ski trips to Wisconsin Dells. Such fun times! Pam was truly an extension of our family.

I also cherish my quieter time with her hanging out in her elephant room. We would chat for hours. She was such a special friend. We will miss her dearly.

Pam, say hello to Jesus for us. We will look for you when it's our time to come to heaven! We love you! Thanks for making our lives special!
