

Pamela Kay Wood

February 14, 1954 - April 27, 2019

Pamela Kay Bennett Wood, 65, of St. Anne went to meet Jesus peacefully with her husband by her side after a long brave battle with blood cancer, Saturday, April 29, 2019. Pam was born February 14, 1954 the daughter of Robert Bennett and Helen Vickery of St. Anne.

Pam enjoyed reading, scrapbooking, quilt making, covered bridge festivals and the beach. She especially enjoyed spending time with her grandson Sam. Pam loved her pets Dillinger, Keggan, and Abbie. She enjoyed the time she lived in Florida and the special friends she met there. She also had many life long friends here in Illinois that were very dear to her.

Pam is survived by her husband Dave Wood; daughter and son in law Stacey and Thomas Shimmin and her grandson Samuel Shimmin; her step daughter Jodi and Steve Sykes; their children Dakota, Kaitlyn, and Amberlin; her brothers Mike and Betty Bennett; Pat and Vicki Bennett; sister in law Connie and Pete Dato; brother in law Gary and Nanette Wood and brother in law Larry Wood. She had several cousins, nieces and nephews.

She will be greatly missed. Pre Pamela's request there will be no services. However, being a born again Christian we know she is with Jesus in Heaven...

Cremation rites have been accorded. Jensen Funeral Home is handling the arrangements

“ *Its been very difficult the last couple of days. We want to thank each one of you for sharing your kind words and memories of our mom. Each of us have precious memories that help in the grieving process. I really loved this woman. From day one she treated me as her son. We had many great times together. The vacation to Wisc. Dells where my car ignition locked up. The many trips to the covered bridge festivals (waiting for the girls to examine all of those crafts). I also remember how much she sacrificed for us. The round trips to Macomb just so Stacey and I could see each other. Thank you mom for trusting me with your greatest earthly treasure, your daughter. I know she is in the arms of her Savior, Jesus. She would want all of you to know that accepting Jesus as her Lord and Savior is the best decision you could make. The only way to heal from our loss is to come together and continue sharing to keep her memory alive. I will never forget the love you always showed us mom. I will see you in heaven.*

“ This is my grandma. I loved her very much. We did a lot of fun things together. We went to movies, played games outside and we traded toy cars just to name a few. We loved to talk on the phone about school and life. She always made me laugh and smile. Now I know that she is with Jesus and at peace.

For some reason, I never saw this until now. Unless I did and I've forgotten.

When I got the phone call 4 years ago I, felt as though I was walking around in a fog. I was in the car with my daughter and granddaughter granddaughter on our way to St. Augustine for a few days. I don't remember much about that trip. 💔

I will miss her for the rest of my life! ❤️

“ I’ve thought a lot about what I wanted to say about Pam. I met her about 18 years ago at my first full time job as a pharmacy technician. Our friendship led to a bond that lasted. I enjoyed Pam’s outgoing personality and witty comments. She was not only a friend but she became family (posted is a picture of Pam and my nephew who will be 20 this year). My family knew and loved her as well. I went to high school with some of Pam’s nephews and on the weekends when we would get together, it would be pretty common that we would call “Aunt Pam” late at night. She never minded the calls and always got a good laugh out of it. I didn’t see Pam often but we stayed in touch on Facebook. She was always so happy to see the posts of my little boy and she was actually one of the first people who knew I was pregnant. She was overjoyed with the news and I knew it would brighten her day. It’s always hard to hear of someone passing but it’s peaceful to know that she is no longer suffering and everyone has such fond memories of her. Someday we will meet again. Lots of love to Dave and Stacey’s family during this difficult time.

“ Many years ago our daughters became friends and immediately Pam and I just clicked! I don't know how to do life without you my friend! You pick the best books to read and listen to all my troubles and offer encouragement in a way no one else can. Our friendship survived moving miles apart. We just never lost touch. Im going to miss you like crazy. I wish we had taken more pictures of our adventures together. I love you and will see you again! Love, Linda Medley

“ I worked with Pam for several years at Provena Pharmacy. We had a lot of laughs and good times, so many that there isn't any one more special than the others. I know that she is now at peace and has no more pain. To Dave, Stacy, Tom and Sam please accept my sincere sympathy. She was a wonderful lady and I will forever remember her fondly.

“ I'm in total shock that you have left this earth. I know that you are now in a better place and not suffering. I worked with Pam many moons ago at Provena Sr Services. I called her aunt Pam because I feel as though she became a aunt towards me. We were always laughing and cracking jokes with one another and our other co workers. I would run into Pam here and there over the years after I left Sr Services. She would always tell me how cute my family was and she was always commenting on my Facebook posts. Rest In Peace Aunt Pam and I'm sure I'll run into you again someday.

“ *My Dear Friend Pam. You've always felt like a second Mother to me. You've been by side for so many happy and sad events in my life. You were the one I called when I always needed to talk, vent, cry or even share my uttermost secrets. You laughed with me, cried with me and never judged me. My memories of our many garage sale excursions, craft fairs, my crazy driving and hitting a possum and you bringing me to my first trip to Coverage Bridge Festival and you even getting a speeding ticket on our way there because we were so busy talking and laughing! You were there for the birth of my 2 little guys and even had a special relationship with my oldest Logan ...Blah Blah Blah.. (only Pam would understand that!) You Loved me like your own and for that I am so grateful for. Although we lost touch these past few years I understand you were going through a lot and needed to be alone. I'll always Love You Pam Thank You for your many years of friendship Say Hi to My Mom for me although I'm sure you're already out going to craft fairs and Garage sales with her. Rest Easy Friend ❤️*
