“ After years of struggling with Parkinson’s and limited relief from medications, I tried NaturePath Herbal Clinic’s herbal program. By the fourth month, I noticed real progress reduced tremors, less stiffness, and better balance. It wasn’t instant, but it was steady and life-changing. I feel more in control, sleep better, and enjoy daily life again. If you’re considering natural options for Parkinson’s, I truly recommend NaturePath. I’m so glad I gave it a chance. “ My husband was diagnosed of Parkinsons disease 2 years ago, when he was 49. He had a stooped posture, tremors, right arm does not move and also a pulsating feeling in his body. He was placed on Senemet for 8 months and then Siferol was introduced and replaced the Senemet, during this time span he was also diagnosed with dementia. He started having hallucinations, lost touch with reality. Suspecting it was the medication I took him off the Siferol (with the doctor’s knowledge) and started him on PD natural herbal formula we ordered from AKANNI HERBAL CENTRE, his symptoms totally declined over a 3 weeks use of the AKANNI HERBAL Parkinsons disease natural herbal formula. He is now almost 51 and doing very well, the disease is totally reversed! (Visit [www.aknniherbscentre.com](http://www.aknniherbscentre.com))

“ I started out taking only Azilect, then Mirapex, and then dopamine for my Parkinson disease, as the disease progressed they didn't help much. A year ago I started on PD TREATMENT PROTOCOL from Aknni Herbs Centre ([www.aknniherbscentre.com](http://www.aknniherbscentre.com)). One month into the treatment, I made a significant recovery, my symptoms were gone including tremors . It's been months since I completed the treatment, I am symptom free and I live a very productive life all thanks to Aknni herbs centre !!!

“ Sending love, hugs, and comfort! Paul will be greatly missed. He was always a wonderful brother-in-law to us. I loved his big servant's heart, always willing to help out with whatever was needed. I admired his passion. Whatever he did or believed, he did it with his whole heart. I rejoice that he is free from his earthly body and in the presence of the Lord, his Savior. We join in with you celebrating his wonderful life well lived. We love you all and miss you Paul!

Hugs and love,

“ There are so many wonderful memories of Uncle Paul that I wouldn't know where to start. He was always there for us girls. One of my favorite memories is when he had the german shepard "Shep" and trained him to bring in the sheep. Uncle Paul allowed us girls to really enjoy the full flavor of the farm by allowing us to tend to the lambs and hand raise various livestock... and I will never forget his smile.

“ Paul Sr. brings his mother into focus. Both were incredibly hardy, persevering souls, capable of arduous tasks without limit. I cite Paul's Parkinson to make my point. Ten years as an endurance contest. Imagine such a thing. And the needle overall tended in one direction. So, we extol Paul for toughing it out, for remaining steadfast, notwithstanding the needle direction. Only great souls could rise to such a height. If you knew his mother, you gain a grasp as in mental of Paul's stalwart glory now fulfilled. Hats off to Esther providing Paul an opportunity to work out his own salvation with fear and trembling. And the children also deserve unmitigated kudos. Sincerely, and with love, Dan the Gudeman

“ Dearest ones, our hearts go out to you and yours as you celebrate the peaceful passing of your husband, father, brother, brother-in-law, son-in-law & grandfather. And these are indeed Paul's words, "Why it is a celebration. A blessing to pass so peacefully." Much love and many blessings coming to you from one of Paul's favorite countries, Germany.
