“ Paul, it was clear from the moment you came to work for me that you had touched the lives of many in a positive way. I've met many people who have told me how you cared for them and took them under your wing, helped them be a better person. I think that in some way just knowing you has made me a better person. You were a great employee, a wonderful coworker and an all around great man. Everyone at Tote Detailing misses you dearly. Thank you for all you did in your short time here. God bless you, rest in peace.
