“ *Phyllis has been a long time friend, since we both started at the phone co. back in the late 1950's. She would help you when you needed something. We went to many of the company's retirement parties, credit union dinners, birthday parties for our kids as they were growing up. We car pooled to work in Joliet and had many adventures going to and from. May she find peace in heaven and be with her family that is already waiting for her there. With sympathy to daughters and families. Love Susie Longtin.*
