“ Dick was a very nice man and neighbor So sorry for your loss Praying for the family

patti blake - September 03, 2016 at 10:15 AM

“ Dick was always giving, giving and giving. When Him and Cheech would come over for a get together or just a simple visit It would take about three trips from their car just to bring in all the stuff they brought! About a year ago my brother and nephew were going through a rough time so who pulled up with a car load of food . And I mean a car load! And the list goes on and on. I would just go over to cheech's to say Hi and Dick would have me leave with food, snacks and even dog food for our dogs! Cheech and Dick spent every day and second together and it is gonna be a real tough time for my Aunt. I know Dick is in Heaven worrying about her and if she is gonna be ok! So my promise to him is Cheech will be taken care of Dick I promise you Dick!

“ Althea, Chris and Jon... We are so sad to hear of your husband and Dad's passing. Our hearts break for all of you as we are so sorry for your loss. Dick always had a beautiful smile on his face and I saw, many times, his face light up just to look at you, Althea. I know he is still with all of you and watching over you all. He loved his family so much. Love and hugs to all of you at this sad time.
