“ *Whenever Lee & I were around him he was not only kind an funny but always happy. What I liked most was he was laid back never sweated the small stuff & never took life for granted..just because he's not here physically you better believe he's here in our hearts. And Watching over his family & friends... It's not goodbye. It's see you later.. Until we meet again.*

“ Our dad was a great man. Thoes who knew him knew that he was the type of guy that would give the shirt off his back to a stranger. There's one thing he loved most and that's his family. He also loved to have a good time and making sure everyone ate. He will be missed by many but will live on through his children and grandchildren. I ask that everyone please share your favorite memory that you have with our dad. It makes my heart happy knowing how many people loved our dad ☐🕊
