Dear Dad,

As my tear fall, I think back to the times, that are now long gone.

When you were the strength that my life was built upon.

I remember all the happiness you've brought throughout the years and although they are the sweetest memories.

I cannot stop my tears.

You were always my protector, my advisor and my guide

My life could never be the same without you to walk beside.

So, your memory will remain a keepsake which it will never part

God has you in his keepings

And I have you in my heart.

Love Always,

Shawty
