“ *The impact that Bob had on a bunch of young skate boarders some 25 years ago is still remember. Our son, Brad, living in California saw Bob's obituary on line and sent me a text to say what a great guy Bob was and reminded me how they used to skate in his back yard and he took them place to skate and ministered to them. Thanks for sharing him with so many. Prayers are with your family. Larry and Cathy Breeck*
