“ *Rob was a kind and gentle spirit. I know the persons staying at the GROW residential loved Rob. He was soft spoken. I really missed Rob when the residential house closed due to budget cuts. He was a God Send as residents transitioned. We will greatly miss Rob and his amazing smile that made you feel comfortable. I hope one day I'll get to see you on the other side my friend.*

ME

“ I work with Rob at CCS, and he was always very kind. One time, I was having a really bad day, and he was about to cover my break, he always told me to enjoy my break, and I said I would because I was going to eat cheese, and he sent a really funny gif of Jerry, from Tom and Jerry, eat cheese and smiling, and it made me laugh!

Rob had a way of boosting your spirits with his calm and kind nature, and I told him he'd made me laugh, and he was happy that he had. Rob was always so kind, smart, gentle, and very very good at his job, and I will greatly miss the time I spent chatting and working with him

I met Rob in 2011 at The Amazing Meeting in Las Vegas. We corresponded via email off and on over the years and were Facebook friends. I am so very sorry to hear he has passed on at such a young age. Did Rob have a particular charity or cause that he supported that I could send a donation to in his memory?
