“ Roger was a fun guy in eighth grade as well as high school. Sorry that I hadn't seen him in so many years but I know that he's in a better place now. My condolences to the family and best wishes.

“ My condolences to Roger's family. He was in my class in Freeburg and was such a friendly -- and yet shy -- classmate. This is such sad news.

“ I am thankful for the time I was able to spend with Geri and Rodger in New Orleans several years ago. Rodger had just had his hip replaced and reluctantly had to depend on everyone else for things he used to be able to do himself , like being at the barn. He had a good helper in Geri. He will be missed.
