“ I've known Ron for over 20 years and we were very close since last July. I'm beyond devastated and heartbroken that he's no longer with us. Ron was one of the best people I've ever known or ever will. I just seen him the week before he passed and chatted with him on Facebook messenger the night before. My heart goes out to his family especially his two sons and his mom. You always think you have more time, but time runs out. I loved him and I hope you knew that.

“ It is still such a Shock...I've known Ron since he was 7....and I felt such a connection with him...I don't know why ?? Just thought of him as if he were my own Nephew.. So my Heart is truly Broken...and I still can not make myself believe this .. That Smile is the Ron I know....always loving with a Tender Heart..

He will be So enormously Missed...by so so many
And Truly Never will he be forgotten..

My Love to Each of you for the Heartache you are all going through..

There are No words to heal this pain right now...except as a few of us have already said, He just has to be up there With Grandma Ethel's arms wrapped tightly around him...

Love you all
