“ *My name is Cassandra Ann Crawford but before that it was Stavitzke after adoption that is...Cassandra Ann Ramos. He was my father and after the first 9 years of my I never saw him again. My grandparents on my moms side adopted me and I spent years of my 20s looking for him, wish I had gotten a chance to know him. I would like to meet my sister and family more. So if you are interested in getting to know me... Facebook is always a good place to start.*
