“ *My Sympathy to The Ogrentz Family. I have known Ronnie for a lot of years, we were neighbors in Highland, IN My heart sank, when I found out Ronnie Passed away. If I would have known I would have been there. Ronnie loved to joke around. I have a lot of fond memories of Ronnie, but the main one that stands out, is we were coming back from Cedar Lake, IN- we were waiting at the red light, Ronnie started to joke around with the cars around us, everyone enjoyed his zest for life. Going to miss you Ronnie.*

“ My heart goes out to the Ogrentz Family. I first meet Ronnie some years ago, he was the most funny person I ever met. Always joking- & just having fun. We went Great America , we all had a Blast with Ronnie. Ronnie would come to visit me, we would go out to Dinner and talk. I will always have fond memories of Ronnie.

“ One of the many many memories of Ronnie I was a freshman in high school. Ronnie thought it would be a great idea for my initiation would be for me to wash and wax his car. With much delay I did little did I know you shouldn't wax the top of his car because it was the kind of top that had all the little bumps on it. Needless to say Ronnie wasn't happy. Ronnie always had a kind word and a sense of humor. He will be missed ❤️❤️

“ To Ronnie's family and Colette's family: We are sorry for your loss and that we will no longer enjoy Ronnie's company at family gatherings. We will remember how -- amid the noise and crowds of us -- Ronnie chatted cheerfully, laughed readily, and played cards gamely with the Langelliers. We send you comfort and support.

Ron will be missed by all. He was always so happy when we all got together. When we had our annual cousins Christmas party, we would always have the cards out and be ready to play. You would never see him so happy as when he won. The smile would go from ear to ear. May he rest in peace with God's Blessings.

I will miss Ronnie coming by and visiting us. He always looked so happy and would stay as long as he could. He loved to play zombie and dinosaur with Neythan a few years back. He played as hard as Neythan did! He never failed to make me laugh when I was down. Ronnie I miss you. Love Penny Tom and Neythan
