Hi Linda. I am not sure if you remember me but I went to school with you and Roxanne. We were not in the in crowd and we were not best buddies, but I enjoyed what time we spent together. I especially enjoyed Roxane's sense of humor. I actually think of you both often. Please know you have my sympathy and prayers for your lose.

“ Roxie was a sweet loving soul. She made me happy just being around her. I know as we got older we all grew apart but I truly missed her wonderful smile and her laughter here in our golden years. I have thought about and prayed for her often over the past few years and I am sure I will be with her soon. Love ya Rox.
