“ *Russ was an amazing man. Russ had a rough exterior and could be infuriating, But once you got to know him he cared with all his heart. Well so many stories I could say! I am going to miss you my friend. You were so very special to my family. You help me out through many difficult times in my life! You will never be forgotten. We are so glad that we were able to see you at Christmas. No more pain and suffering. Right now you are either riding your bike or you're sitting in a Big leather Recliner. LOL try not to boss the angels around too much. We Love you*
