“ *Boy he just loved teasing me to make me laugh was always making sure everything was okay with everyone. I love the whole family we were very close and at one point I moved away and we stayed in touch on FB. But never left my heart he was the heart of the get togethers and just loved picking at ppl period. He was just a bundle of a special love that will be with me and the rest of my time here. I love you Bubba. And will always be close to my heart ❤️.*

“ *You were one of the first people that I met and talked to when I moved to Bourbonnais in 1988. You baptized me when I was going through cancer treatments. We did alot together in our 35 years of friendship. You'll definitely be missed brother.*

“ My sincere condolences. I hadn't talked to Rusty in a long time but I have very fond memories of him. What a kind human he was. I don't remember a time that he wasn't smiling or laughing. I remember when we were just out of high school he helped me overcome some confidence issues I was having by always being supportive and uplifting every time I saw him. A truly unique individual. Peace, my friend.
