“ Still wrapping my head around how Sarah could possibly be gone and the void, or rather maybe, space it leaves. Sending much love to those closest to her. Her bright spirit will continue to shine in our memories. She made sure of that by giving us all plenty of laughs and joy and dance moves to reminisce about! Girl, you are so missed because you were so fun, sharp witted, loyal and adventurous. Rest peacefully my dear friend.

“ I am so sorry to hear of Sarah's passing. She was in my first class at St. Patrick Grade School during the 1984-85 school year! I loved her spirit, her enthusiasm, and her joie-de-vivre. I have never forgotten her, and was diligently trying to find her on social media. Our condolences, love, hugs, and prayers. God Bless all of you.
