“ 'God' Momma/Aunt Dee Dee, I miss you a lot & all of the memories we shared. The thought of you being gone, and my dad too, is unbearable. If I could take anything back, it would be not spending enough time with you as life got in the way. Our memories will always be cherished, and I love you so much. Rest in peace, sweet angel. Hug my dad for me. The biggest one you have ❤️

“ I went to West Jr. High School with Scherry. Oh she was a firecracker...however, we all know that firecrackers wow us when they explode into beautiful color. She was one of the sweetest caring person one could ever hope to meet and know.

I know her family and the world will greatly miss Miss Scherry. She is one of a kind. I know my words cannot take your pain away. My heart breaks for you all. May you find peace someday some how in all this sadness.

God Bless.

“ Scherry & I worked together at Shapiro & we remained good friends. I was a bridesmaid when she married Rick. We had many good times. All she ever wanted was to be a mother & she was a great one. Your beautiful family will miss you. Rest in peace sweet one. I loved you & always will. 🕊
