“ *I haven't seen Scott since we were small children in my childhood neighborhood, but I have very fond memories of playing with Scott and Mark. This picture is of our first day walking to kindergarten at Thomas Edison school. I remember he had a cat named T. H. E. and we spent hours playing with cars and trucks in the sand (I was quite the tomboy). I wish I had known that Scott was still in the Kankakee area. I'm in Arizona now. My deepest condolences to his family.*

“ *Ill never forget the first time I changed his diaper, Nora let me baby sit for him while her and Steve went out. The little shit peed all over me, He had filled his diaper and when I removed it he giggled and pee shot straight up in my face and hair. UGH! I swear after I got him cleaned up new diaper and all he looked me in the eye and smiled. I knew then he was going to be my favorite and he forever was and is. Scott Ill all ways have a open spot in my heart where you left to be with our father. Keep the light on son. love you always your uncle Joe*

“ I had the esteemed honor of working with Scott as my CCS/Dispatcher since 2015 when I became a bus driver with First Transit. I'm proud to say that it's solely because of his influence that I'm able to call myself, now, a CCS/Dispatcher with River Valley Metro. His light continues to shine even after he's gone. #neverforgotten
