“ Even as a new staff member, Scott always made me feel welcome and that I belonged here at BBCHS. His kindness and warmth will always be remembered by us. We will miss Scott. I will be praying for Scott and your family.

“ To the Franklin family, my name is MJ Janssen. I provided school based physical therapy services for BBCHS for the past 30 years. I never knew his name was Scott, but I knew if I needed something to fix a wheelchair, this gentleman always helped me, even if he was in the middle of something. He often would find me a nut, bolt, screw or let me borrow tools so we could fix the chair good enough to get the child on the bus and home safely. He often opened up locked doors for me when he saw my hands were full. We often exchanged "hello's" with each other. He was such a nice guy, yet neither of us knew each others names. My heart is so sad for all of you. I will miss him running up and down the halls. You all have my sympathy.

“ This is the fella that used to help me cut my 3 acres of grass and then after I paid him we would go to Eddies and drink up what he had just earned. He also introduced me to his mother who after my wife's passing would become my new life partner. Thank you Scott .Or should I call you son?
