“ *Mona & Tausha I'm so sorry to see this today.
Mona I miss u so much. Sorry I never got to meet Sean.
I ran into Annie after she lost her sweet angel at Kroger. And I
asked about u & sweet Tausha she said u were working at Target.
Wish I could run into u. We are still in the phone book.
Love ♡ & prayers to u & your family.....ginger finefield*

I still miss you so much. Almost every decision I make with these girls, I tell them how proud you were of them. I also joke just like you would and do the overwhelming "freakouts" when you too much was going on at once. You really did do good and had such a good heart. Our girls deserved more time with you. I love you
