“ No words spoken or written can ever take away the pain of losing you, they can however, incite so many beautiful, crazy and fun memories of your free loving spirit. From working together, hanging around the same circle of friends, our siblings marrying one another... you always were a breath of fresh air and the warmest of hugs. Time Got away, and the hellos became so few and far between; but you will forever be thought of, missed and will always hold a piece of my heart. Rest Easy and know your memory will forever live on with laughter not far behind.

Ms. Merry, LeRoy and Dustin (Ron)- with time hearts will begin to heal, the pain will turn into smiles just at the thoughts and memories that will forever live in your hearts. Shannon left his mark on so many, he brought laughter and love to all that got to truly know him. In the moments you miss him most, know he is truly here with you still; he will forever let you know he loved and loves you every day. Remember the great moments, and share his memory with others, so he may forever live on. Love you all. My sincerest condolences, and prayers.
