“ I'm so terribly saddened to learn that Sheila has passed away. Heartfelt condolences to Stacy, Dan and the entire Frye family. The loss of your sister will most certainly leave a large hole in your heart that will not quickly heal. Again I'm so, so sorry for your loss. With much sadness and grief, Cheryl and Andy Wegmann.

“ I have so many fond memories of Sheila growing up . But I loved most how loving she always was and her beautiful radiant smile that could light up a holiday party or any room anywhere .. Her smile was larger then life and I cannot remember a time seeing her that she wasn't wearing that signature smile .. Sheila will be surely missed by myself and many others .. She has left me with cherished times and memories I can never , ever forget .. We lost a good one , but heaven has gained a beautiful and perfect angel .. I am without any doubt certain her sparkling personality and brilliant smile is lighting up the heavens as we speak . I am sure we will enjoy more sunshine , more rainbows and brilliance on earth , for we have a wonderful angel looking out for us and guiding our way .. Until we meet again Sheila I got one will truly cherish your memory and portion of your life that has touched mine so deeply ! With loving memories your cuz Brian Jones
