

Sherry L. Plechaty

October 23, 1951 - March 3, 2026

“God saw that she was very tired,
and a cure was not to be.
So he put his arms around her,
and whispered, “Come to Me.”
With tearful eyes, we watched her suffer,
and we saw her fade away.
Although we loved her deeply,
we could not make her stay.”

In loving memory of my Mom,
Sherry Lynn Plechaty,
whose happiest days were spent tending her garden-
proudly growing tomatoes and cucumbers every summer-
and who found joy in her weekly shopping trips,
always hinting for the best deals with a smile and a sparkle in her eye. **

“ *Dear Cousins: Char and I are shocked and deeply saddened by the terrible news of the loss of cousin Sherry Lynn. As the oldest surviving member of both of our families, I have countless fond memories of Sherry Lynn and each of you...little Sherry's first pair of glasses, babysitting for you while your parents went out square dancing, garage parties and countless Thanksgiving and Christmas dinners. As I turn 80 this month, I never thought I would outlive two of my younger cousins. Char's and my prayers are with you in your loss. We have a picture of Sherry, Uncle Phil and Char at the breakfast table at Burr Ridge. It's on our computer and we see their smiling faces every day. Our love go out to you and Sherry's children. “ To our family, I am so sorry to hear of Sherry Lynn’s passing... it is with a sad heart that I am writing to you. Even though, I was the youngest of our two families, I have very happy memories of all of us at Thanksgiving and Christmas. Especially, how all of us girls, would gather around your Mom, Auntie Dolly and sing, as she played the piano. I pray that you all find comfort in knowing that Sherry Lynn is with your Dad, Mom and brother up in Heaven ❤️🙏.
Much love,
Karen Rankin Bruzdoski

“ I'm so sorry to hear of Sherry's passing. We were neighbors for many years. I enjoyed talking plants with Sherry. She was always willing to share her plant knowledge and some extra tomatoes! I will always remember how full of life her patio was. No space was empty! Everywhere was filled with flowers, greenery, or tomatoes.

I always marveled that she put up with my energetic, talkative kids. I don't know what it was, but from the beginning they had a special bond. They loved when she asked them to rescue frogs and the like from her window well. I remember the year the kids built snowmen and Sherry went out in the night to decorate them with lights for the kids to see. She got such a kick of their reaction!

We'll always think of Sherry when we see a hummingbird hovering nearby, and I'll keep an eye out for those Juliet tomato plants she loved.

I pray that Sherry rests easy and is at peace in God's arms.
