“ Dear Kim and family,

I was saddened to hear about your mother Shirley's passing. She was not only a wonderful neighbor to our family, but also a dear friend and colleague of my mother, Joan Hourihan, from their years together at Kmart. I have many fond memories of Shirley's kindness and warm presence in our lives.

Please know that you and your family are in my thoughts during this difficult time. Shirley's legacy will live on in the hearts of all who knew her.

On a lighter note, if only we could get our hands on the "Real" recipe for the Sportsman Club dressing! That would be quite a tribute to the good times.

*With deepest sympathy,
Mark Hourihan*

“ Will never forget our Miraculous win over the undefeated Bradley Bank team that 1979 Championship Game. You coached us unrelentingly that year—and we WON because you believed in a group of some veterans and a whole lot of rookie players! You taught us to never give in and to stay Strong—until we see you again, Coach Andreina! 😊

Shirley was a kind and beautiful woman. Steve and I grew up on Osage Dr, and remember her fondly. When I was a struggling single mom over 45 yrs ago, Shirley and Betty Rocknowski babysat Craig for me while I worked 2 jobs. Neither ladies let me pay them, they took care of him out of the kindness of their hearts. I paid it forward many years later. Thank you for you loving kindness Shirley. ❤️

I have fond memories of Shirley and family from the old neighborhood. Those were the days when everyone looked after each other. Last time I saw her was at your Dad's visitation. We had a nice chat about the old days. I will say a prayer for each of you as you go through this time. Take care of each other.
