“ Connie,
I was blessed to know your mother for a short period of time. She was a woman filled with life and love, especially for her family and her God. It has been a joy for me to assist your mother shopping and driving her to her many appointments. I offer you my sincere sympathy at this time of loss and I assure you of my prayers.
Your mother often spoke of you and her love for you and the rest of the family. I always enjoyed her stories and taking her shopping. What a wonderful woman! I will never forget her lovely smile.
Blessings,
Sister Mary Ann
