“ *I was shocked and saddened to hear of Steve O's passing. What I remember most about him was how he loved to help others and enjoyed spreading cheer in a way that was unique to his personality! He was always ready to lend a hand when someone needed something, especially moving from one home to another. He was often there to help my brother in law Jack with doctor appointments, shopping and visiting with him on the phone. Every year, he called me on Mother's Day and my birthday. Although his life here on earth was brief, he left quite an impression! God bless his family and friends with peace and comfort in knowing he is with our Lord and Savior Jesus Christ and we will be together again very soon!*

“ Steve O has been a dear friend of mine for 28 years, and it was so sad to hear of his passing. He had just called the night before to wish me a happy birthday. He was so good at reaching out to SO many people on special occasions and events to let them know he was thinking of them.
He was also one of the most helpful people I ever met. If you needed a hand moving, completing a project, or just about anything; just give Steve O a call.
My brother said it well, if you met Steve O once, he was a lifelong friend.
My prayers and condolences to the family.
