“ We know Terry from our days of growing up in Sheldon and attending schools there. We got to reconnect with Terry later on as we would see him at AutoZone and Walmart. He spoke of his boys with great pride. We always enjoyed our visits with him. May all your memories bring you comfort and smiles.

“ I don't think I can ever remember a time where Terry wasn't smiling, laughing, or telling jokes. He was always kind and it didn't matter if you knew him or not! I'll always remember him stopping by with his new project cars to talk to my dad when I was younger.

Prayers to his family and friends.
