“ I was shocked to the core to hear Tim is gone. Tim always showed kindness and acceptance to everyone. I have many fond memories of deep conversations and bonding experiences. We lost an empathetic soul way too soon. Til our paths cross again, Tim you will be missed.

“ Get-togethers in cicero, Sitting in Kit car From Knight Rider tv show and monster trucks, outside activities playing football, snow football, skateboarding, Nintendo games , listening to music walking down the block, living next door to each other, Talking outside in his family yard for four hours in chilly weather not caring how cold I was as it felt good to catch up and just sit and reminisce about growing up and even some new challenges and conquered goals we faced or overcame. I'm sorry I couldnt take more time to experience even more than what I experienced with him. He was a great person of unimaginable talent, bravery, caring, individuality, and ideas to just name a few. He will be greatly missed. I'm sorry brother we did not get more time and experiences.
