“ *I am so sorry Kris, Sarah, Andrew and Mathew. I have known Tim for a long time - since he started at CSL. He loved you all so very much and was so very proud of his children! He would always call me into his office to listen to a piece of music that reminded him of something that would have happened with one of you. He was well aware of how fast our time with our children evaporates and wanted to make the most of every minute. My prayers to all of you at this time.*

“ I first met Tim when he was in my second shift Parenteral crew that I supervised. He was part of a wonderful team. Such a great young man with integrity. I remember when his children were born and the job he shared. His passing leaves me with much sadness. I am praying for the family of this wonderful man.
