“ *Todd was a great patient and a very unique, special person to me. I loved to take care of him!! I always enjoyed my hours with him!! I was always amazed with his thought process- he was such a smart person!!! He always had such a great sense of humor- NEVER a dull moment with him!!! Though I miss this one so very much, and he was taken away way too early, I know he is in a better place free of all his earthly restraints. GOD BLESS YOU!!*
