“ Today is June 27, 2026. I just learned of Tye’s passing. Tye and I went to Kindergarten together, rode bikes together, and we played to together in the ‘ol neighborhood on the southwest side of Kankakee. This was in the late 70’s into the 80’s. (I am attaching a Kindergarten class picture from 79-80. Tye is the middle photo at the top.) I ended up moving to Peoria and we lost contact. Can anyone tell me if the Go-Fund-Me is still active?

“ Hello, Tye's service has been postponed due to her daughter Sydney having a baby. Tyesa knows we would have loved to celebrate her life this weekend, but Tye's granddaughter had other plans. Please keep Sydney in your thoughts and prayers.

“ As my big sister she was my first friend from the day I was born, and navigating this thing called life without her is unfathomable.
